1. The Juneau Pro-Choice Coalition believes all women have the right to obtain a medically safe, legal abortion under the standards set by the Supreme Court in the Roe v. Wade decision. Do you support this position and would you vote to ensure access to abortion without restrictions?

Yes No

If "no," please explain: Case law sets precedence

- I am pro choice and the Alaska State constitution honors those rights, not the federal government

a. I favor no restrictions. _____

OR

b. I favor requiring the following restrictions: Please check all that apply.

- i. Parental notification. _____
ii. Parental consent. _____
iii. Parental notification with judicial bypass provision.* _____
iv. Parental consent with judicial bypass provision.*

*Judicial bypass means a minor has the option to appear before a judge to seek permission to "bypass" the parental notification or consent requirement.

3. Do you favor legislation that:
- | | | |
|--|-----|----|
| a. requires husband/partner <u>notification</u> about an abortion? | Yes | No |

Comments I am against over regulation of health care decisions that individuals make for themselves

4. Do you favor the same public funding of abortions for Medicaid-eligible women as is available for other Medicaid-eligible health care? Yes No

Comments I am for public funding of programs that benefit all members of the community equally

5. Alaska law states that publicly funded hospitals may not ban abortion performed in the hospital by qualified medical personnel. Do you agree with this law? Yes No

Comments _____

6. In Roe v. Wade (1973), the U.S. Supreme Court ruled that the constitutional right of privacy "is broad enough to encompass a woman's decision whether or not to terminate her pregnancy," and that governments may not interfere with that decision up to the time of fetal viability. Do you agree with this ruling? Yes No

Comments Case law sets precedence. It is out of the federal governments hands. Thankfully Alaska state law still honors these rights

7. As an elected official, will you publicly support efforts to provide and improve local access to:

|---|-----|----|
| a. reproductive health and family planning services? | Yes | No |

I support some portions of planned parenthood

9. What, in your view, are the most appropriate public policies that the community, municipality, and citizenry can enact to address the issues of teen pregnancy, Alaska's high rate of sexually transmitted infections, sexual assault and abuse, and reproductive health access for men and women?

Comments education, in the community, in homes, and in schools

10. Do you support comprehensive, medically-accurate sexual health education programs** in the Juneau School District? Yes No

Comments _____

11. Do you support adoption of comprehensive sexual health education policies and funding for programs proven to be effective at local and state levels? Yes No

**Sexual health education includes instruction on puberty, healthy sexuality, relationships, consent, pregnancy, STI prevention, reproduction and anatomy, and abstinence.

12. How important are reproductive health rights to you personally, and why?

Comments They are very important to me. Alaska is faced with some of the highest STD rates in the country. Since I have absolute devotion to this state, I want to see it become the leading standard for communities nationwide. Especially when it comes to the health of the communities
ASSEMBLY CANDIDATES ONLY: reproductive health affects us all and good support systems would be a benefit to us all.
